I. Announcements and External Meeting Updates

- a. TLC group is open to having a progressive tour of various health providers in LA County. Subcommittee members were encouraged to attend the meeting on February 28th at St. John's to discuss future plans.
- b. Survey to capture health provider's knowledge of Sex Trafficking in community is being sent out to health providers. Paulina agreed to forward to committee members.
- c. HIV/AIDS Commission is expected to release special population guidelines in March.
- d. April 10th is National Youth HIV/AIDS Awareness Day- Care & Testing Subcommittee will work with main workgroup on outreach initiatives.

II. Partner Services Letter

- a. Grissel synthesized feedback from our January meeting to create a draft partnership notification letter. The letter was submitted to DHSP for approval on Tuesday, February 18.
- b. **Next Steps:** Awaiting response from DHSP. Paulina expects it will take a while; we should have an update by late March.

III. Minor Consent Law/Rights Webinar

- a. We're moving forward with organizing the webinar with the SYPP center. Target timeframe is to complete the webinar by March 31st. If the SYPP center is unable to received additional funding and we need more time to organize we will look into alternate webinar hosting sites.
- b. Next Steps: Heather is going to reach out to the California Adolescent Health Collaborative and Adolescent Health Working Group to secure representative from either organization to present on minor consent.
- c. Lenee will reach out to PPLA colleagues in case neither of the above mentioned organizations can participate.
- d. John will coordinate with SYPP center on logistical details for webinar.

IV. Next C&T meeting: March 18, 2014
