## Meeting Minutes

In attendance:

- **CHAIR: Grissel Granados**
- Lenee Richards – PPLA
- Patricia Wallace - DHSP

### AGENDA

#### Introductions

Participants introduced selves and agencies.

#### I. Announcements and External Meeting Updates

- The Prevention Planning Committee (PPC) and the Commission had a joint meeting on October 11, 2012 to discuss the possibility of merging the bodies. It was decided that this is something that the bodies will move forward. The current working group that is focusing on the joint plan will take on the task of detailing how this merger will happen and what it will entail.

#### II. C2P Updates

- Still in the process of doing evaluations.
- Are going out to venues and surveying youth, waiting on scheduling for Magnum.

#### III. Mobile Testing Unit Task Force

- D. Rivas will look into dates that work for Paulina Zamudio from DHSP to set up the first MTU meeting
- The MTU request form was sent out to the MTU providers to get any last minute feedback before it gets sent out the county and the community.

#### IV. Youth Case Management

- Two meetings have taken place already to work on the recommendations to be submitted to the county. CHLA, AltaMed, LAGLC, and Bienestar have participated in these meetings. So far the group established roles and went over the differences between TYCM and MCC and how both contracts can work together once MCC is rolled out. In the next meetings there will be further discussion on a proposed outline.

#### V. Open SCOs

- Some of the open SCOs were reviewed with the group. There was discussion with L. Richards from PPLA to see what are some potential SCOs that can be identified at PPLA around youth and male friendliness in the clinics. There is also an open SCO with PPLA that L. Richards will be able to take on and work to accomplish.

## **VI. Wrap Up/Conclusion**
