Agenda Item	Decisions Made	Action Items and Owners
1. Revise Vision Statement	The decision was made to revise the vision statement of the group. The new vision statement reads: <i>The vision of the C2PLA Schools Subcommittee is to empower all students accessing education systems regardless of sexual orientation or gender identity with skills and information to make health choices in a safe and respectful learning environment.</i>	None.
2. Reviewed Open SCOs	New champions have been identified to help with closing SCO #138. Jeff and Brandon will work with Ruth to help move the SCO forward.	Milton will connect Ruth, Brandon, and Jeff via email. Ruth, Brandon, and Jeff will discuss ideas to create more action steps and share with group at next meeting.
3. Jordan High School	Group agreed to continue working closely with Jordan High School's onsite Health and Wellness Committee. Members wanted to know if they could attend the next meeting. Sandra encouraged members to do so.	Milton will send email info to folks in the group about next meeting. The date is February 11 <sup>th</sup>
4. 2015 Priority Areas	The following were priority areas the group decided to tackle for 2015: 1. Getting more groups on to LAUSD's approved list. 2. Increase youth testing in Long Beach, Compton, and Watts. 3. Capitalizing on technology for information sharing for youth as it relates to health information and testing. 4. Increase the amount of students who access mental health services and physicals in District 2 schools starting with Jordan High. 5. Find ways to build community partnerships and increase community building with parents of students in District 2 schools starting with Jordan High.	

5. Announcements	<p>Teen Line has new youth yellow pages available for youth and providers and their new app is also live.
